

RENIERI

Brunello di Montalcino 2016

94

Monica Larner, Robert Parker's Wine Advocate: "The Renieri 2016 Brunello di Montalcino is a plush, fruit-forward, and accessible wine that captures the purity and elegance of the vintage. The best take-away, however, is the fresh, ready, and bright state of this wine that makes it almost ready to enjoy straight out of the gate. This Brunello from a nine-hectare plot with limestone clay soils offers bold cherry and blackberry with delicate spice, smoke, and blue flower. The wine is marked by balanced acidity, and there is some tannic tightness that should further relax by the time this wine hits the market at the start of 2021. This is a go-to bottle (in a 50,000 bottle release) if you want a first and memorable taste of the classic 2016 vintage." 11/20
